350 Bridgeboro Road, Moorestown, New Jersey 08057
(856) 778-6610, Ext. 12170 • fax (856) 222-1754
C.E.E.B. #310825

Moorestown High School believes in high expectations, high support and high achievement. We offer a wide array of academic, elective and extra-curricular programs for students to develop their minds and engage in meaningful experiences. We are committed to innovation and self-inquiry in the pursuit of becoming active and conscientious citizens of the world.

COMMUNITY

Over three centuries old, Moorestown has an unusually rich history. Founded by the Society of Friends in the late 1600's, Moorestown has matured into a suburban, residential community proudly retaining its classic charm and pleasant country atmosphere. The township is located in historic Burlington County, approximately twelve miles from Center City Philadelphia. A large percentage of the seventeen thousand residents are employed in high technology, research, medicine, law, and international businesses that have settled in this prime growth region. The quality and diversity of its citizens are respected in the rich character and upscale lifestyle of this progressive community.

SCHOOL

Established in 1898, Moorestown High School is a four-year comprehensive high school with a long-standing history of academic excellence. Our vision focuses on the maintenance and expansion of a program that effectively balances academic, aesthetic, athletic, and altruistic elements. Our school relies upon a shared commitment of parents, students, and faculty to attain academic and personal growth. For the 2022-2023 school year, our twelve hundred and fifty one students chose programs of study that furthered their abilities and aspirations from more than two hundred courses offered. With this kind of academic diversity, students strive for excellence in a rigorous college preparatory program, which allows more than 60% of the population to experience honors and AP curricula. Approximately

90% of our student body continues their education at the post-secondary level.

Our one hundred twenty certified faculty members enjoy an average teaching experience of sixteen years at Moorestown High School, seventy-five percent holding advanced degrees. The positive school climate of Moorestown High School fosters student involvement, actively engaging our students in student government, special interest organizations, arts, athletics, and service opportunities.

PHILOSOPHY

We believe that Moorestown High School is dedicated to teaching and encouraging our students to develop their skills; to acquire, demonstrate, and transfer knowledge; and to realize their potential. It is through the school experience that students learn to become effective citizens in a democratic society and to respond to a changing global society. The obligation and responsibility of the school is to offer educational opportunities in an atmosphere conducive to maximizing the development of students' intellectual, physical, emotional, and social growth.

82% Earned a score of 3 or higher

Class Rank

The academic environment of Moorestown High School is very challenging. The majority of our students meet that challenge by earning exemplary grades. The comparisons among students inherent in class rank calculations unnecessarily increases competition within the school. Further, we believe that our students levels of achievement are not equitably or fully communicated by this single transcript statistic; therefore, we do not report class rank.

Grade Point Average (GPA)

Grade	Percent	AP	Honors	College Prep
A+	97-100	5.3	4.8	4.3
A	93-96	5.0	4.5	4.0
A-	90-92	4.7	4.2	3.7
B+	87-89	4.3	3.8	3.3
B	83-86	4.0	3.5	3.0
B-	80-82	3.7	3.2	2.7
C+	77-79	3.3	2.8	2.3
C	73-76	3.0	2.5	2.0
C-	70-72	2.7	2.2	1.7
D+	67-69	2.3	1.8	1.3
D	63-66	2.0	1.5	1.0
D-	60-62	1.7	1.2	0.7

Elective Programs

Over the past several years, MHS has dedicated time and resources toward building premier elective programs to provide our students with opportunities to explore potential career paths. Technology-based courses employ industry-standard software such as Adobe-In-Design, Chief Architect, AutoDesk Suite, and the most recent versions of Microsoft Office products. We are proud to offer rigorous, sequential curriculum and have received Dual Credit standing for several of our courses. In addition to school-based experiences, students also have access to other personalized learning opportunities such as internships and collegiate-level coursework.

Athletics

Recognized as one of the most competitive programs in southern New Jersey, Moorestown supports more than twenty-five athletic programs with fifty-eight total teams, enabling more than 70% of our students to participate in interscholastic athletics. On five occasions, Moorestown has also been recognized with the Group III Shop Rite Cup for having the best sports program in the state as measured by a combination of championship-caliber teams and good sportsmanship.

Extra Curricular Programs

Over 50 different clubs and activities are offered through the high school: bands, orchestras, choruses and specialty vocal and instrumental groups boast a membership of approximately 25% of the student body. Our student association is comprised of the student-elected leaders who are charged with serving as a voice for students within administrative and peer settings. Students also participate in such activities as yearbook, debate, world language clubs, dance squad, academic contests, model congress, photography and more. Recent theatrical performances include *A Christmas Carol* and *Rodgers & Hammerstein's Cinderella*.

Service to Others

Volunteerism is fostered through school-wide service organizations and community related projects where MHS students are involved at all levels, including nationally and internationally recognized programs. Since the inception of our Service Council in 2003, Moorestown students have accumulated more than 380,000 hours of reported service to others, receiving Presidential Volunteer Awards for over 100 hours and a Exceptional Service Letter for 100 hours or more. Juniors and seniors with a minimum cumulative grade point average of 4.00 (weighted) or 3.70 (unweighted) are invited to apply for induction into the Honor and Service Society. The society's mission is three-fold: to stimulate intellectual pursuits beyond the curriculum, to provide for intense intellectual discourse, and to involve high achieving students in voluntary service opportunities within our school and community.

Service Hours: 2019-2020 - 27,875 hours, 2020-2021 - 13,568 hours; 2021-2022 - 21,505 hours; 2022-2023 - 30,055 hours

Graduate Placement

Moorestown students are recruited by the most competitive colleges in the country. Approximately 23% of the 316 graduates are attending college in their home state of New Jersey, while 69% of the class are attending college in other states. The members of the Class of 2023 were accepted by the institutions listed below.

Abilene Christian University	Florida Southern College	Nova Southeastern University	Tufts University
